“We had worked almost exclusively with ACPA Approved teams... It was the first time that we had a full, comprehensive review of each child’s health. Words cannot fully express what a tremendous blessing it was to have their help and guidance in putting together the entire puzzle of the cleft diagnosis and journey.”

–Jane Stedman, mother of four children with cleft diagnoses.
ACPA celebrated its 75th anniversary in 2018 with a year of impact, growth and change. I am happy to share the 2018 impact report with the valued members of our worldwide community. It takes a team to serve our mission, and in 2018, that team included the ACPA Board of Directors, members, volunteers, journal reviewers, patients, families, donors and our National Office Team.

Together, we are creating a world where people with cleft and craniofacial conditions thrive.

With profound thanks and wishes for a wonderful 2019,

Wendy-Jo Toyama, MBA, CAE
ACPA Executive Director

NUMBERS TO CELEBRATE

In 2018, ACPA made a difference in the lives of patients, their families and the professional caregivers who guide them on their journeys. Here are some of the ways ACPA achieved its mission.

- ACPA has 2,434 members, representing more than 36 medical disciplines.
- ACPA members work with patients and conduct research in all 50 states and 62 countries around the world.
- ACPA has 176 ACPA Approved Teams in the US and Canada.
- ACPA Approved Teams serve more than 76,000 patients annually.
- ACPA published 199 research articles in The Cleft Palate-Craniofacial Journal.
- ACPA awarded $29,500 in professional awards and grants.
- More than 240 members volunteered their time to ACPA.
- ACPA hosted ACPA’s 75th Annual Meeting in Pittsburgh, with 835 professional attendees who learned about current research and clinical techniques.
- More than 320 presentations were given by experts in the field at ACPA’s Annual Meeting.
- ACPA Family Services distributed 15,789 publications and more than 14,600 online publications.
- ACPA awarded 11 college scholarships to students affected by cleft or craniofacial conditions, totaling $6,000.
- Almost 500 ACPA Bears were placed in their forever homes.
